Jewelers Pliers & Cutters

*A classic look
with old world
craftsmanship*

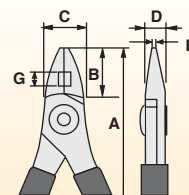

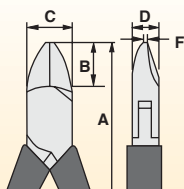

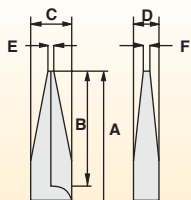

teborg
made in
Sweden

Roots of Teborg started 150 years ago. Every part of the plier has been looked over and designed for quality and comfort.

- Rockwell hardness
- Tested and proved
- harden and treated handles
- Grips will not spin/rotate
- Correctly used will not break

Nowhere else can you find a better plier for a better price.
